Position: _____ Company: _____

Congratulations on having reached this point in the selection process. This is a questionnaire that asks you about your opinions regarding work. There is no time limit for completing this questionnaire, but it should take no more than 15 or 20 minutes. We are interested in hiring only top quality people and this questionnaire is one of the tools we use to help us do that.

Difficult situations often arise in today's workplace. The Work Attitude Questionnaire is designed to give you the opportunity to tell us how you feel about these difficult situations. Please be honest and open in your responses to the following statements. Your honest answers will help us evaluate your potential for successful employment with our company.

The following statements present different work situations and ask your opinions about each. In each case you will be asked to "agree" or "disagree" with a statement. You will have the opportunity to indicate how strongly you "agree" or "disagree" with the statement. In some cases you will encounter statements which are written partly in **bold type** and partly in regular type. In such cases you are asked to respond in terms of how you feel about that part of the statement which is in **bold type**. Please respond to every statement. Circle one, *and only one*, number for each statement. Most statements use the scale shown below.
