QWIK-RELY TEST

Please complete the following:

Name: _____ Date: _____

Address: _____ Telephone: _____

Instructions

This questionnaire explores your work ethic -- that is, the attitudes you have about working. Please answer these questions according to how you actually feel, instead of how you think people *ought* to feel. It is important that you answer every question with the answer that comes closest to how you believe.

Read each question carefully, and take as much time as you need to complete the RELY TEST. Select the answer that most nearly fits the way you feel. Mark your answer by darkening the box next to the answer you have chosen. Mark only one answer unless the question says that you may choose more than one response. Mark your answer by darkening or circling the box that represents your choice. Thank you for your cooperation!
